Tips for eliminating Slow Play

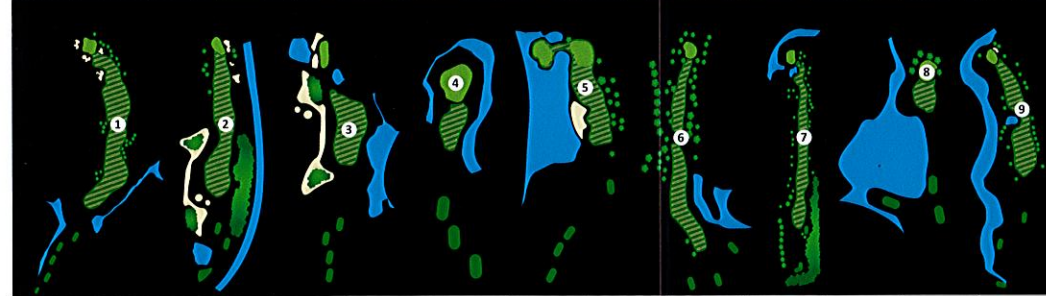

1. We strive for a time of 4 hours & 15 minutes per round (Front 2:10 hrs, back 2:05 hrs)
2. Strathmore Golf Club Slow Play Policy:
If a group is a full hole behind or out of position at the Marshals discretion, the following will occur:
1st warning: Group behind may play through & you will be asked to speed up.
2nd warning: Pick up & asked to catch up to group ahead
3rd warning: Asked to leave course
3. Our Marshals have the right to any discretionary measures to ensure pace of play is maintained
4. Hit when ready & have all players help spot the hitter's ball
5. Read & line your putt while others are putting & continue to putt until holed out
6. Take 3 clubs to the ball & minimize practice swings
7. Mark scores on the next tee box
8. Limit the search of a lost ball to no more than 3 minutes & when in doubt hit a provisional. Do not take mulligans
9. Play ready golf - just 15 seconds delay per player per hole in a foursome makes your round 18 minutes longer!
